

GQ-10B-8D-01

SKU: GQ-10B-8D-01

Features & Benefits

- ◆ Compatible with Quick TS10 Soldering Station and TSS10A Soldering Iron
- ◆ 8mm chisel tip – perfect for medium solder joints and precision work
- ◆ Part of the TSS10B series for high heat applications
- ◆ Efficient thermal conductivity and fast heat recovery
- ◆ Long-lasting design for extended use
- ◆ Ideal for electronics assembly, repair, and heavy-duty tasks

About the GQ-10B-8D-01

The **QUICK 8mm Chisel 10B-8D-01 soldering tip** is designed for use with the **Quick TS10 Soldering Station** and the **TSS10A Soldering Iron**.

A member of the high-performance TSS10B series, this tip is specifically crafted for high heat soldering applications. The 8mm chisel shape provides optimal heat distribution, making it ideal for medium solder joints, electronic repairs, and assembly tasks. Its durable construction ensures reliable performance in demanding environments.

**** Tips are supplied individually. ****
