

GQ-10C-1.2D

SKU: GQ-10C-1.2D

Features & Benefits

- ◆ Designed for use with Quick TS10 Soldering Station and TSS10A Soldering Iron
- ◆ 1.2mm chisel tip for fine, accurate soldering
- ◆ Part of the 10C series – optimised for regular soldering applications
- ◆ Reliable thermal performance for consistent results
- ◆ Durable construction for long-lasting use
- ◆ Ideal for precision work in electronics and small components

About the GQ-10C-1.2D

The **QUICK 1.2mm Chisel 10C-1.2D Soldering Tip** is a high-performance solution for precise, everyday soldering work.

Designed for seamless integration with the Quick TS10 Soldering Station and the TSS10A Soldering Iron, this tip from the 10C series is ideal for standard applications. Its 1.2mm chisel shape provides excellent control and heat transfer, making it perfect for fine electronics work and general soldering tasks.

**** Tips are supplied individually. ****
