

GQ-10C-2C

SKU: GQ-10C-2C

Features & Benefits

- ◆ Designed for Quick TS10 Soldering Station and TSS10A Soldering Iron
- ◆ 2mm hoof-style tip for efficient solder flow
- ◆ Great for drag soldering and larger solder joints
- ◆ Part of the 10C series – ideal for everyday soldering use
- ◆ Consistent thermal performance for high-quality results
- ◆ Durable construction for extended tip life

About the GQ-10C-2C

The QUICK 2mm Hoof 10C-2C Soldering Tip is designed for precision and efficiency in standard soldering jobs.

Compatible with the Quick TS10 Soldering Station and the TSS10A Soldering Iron, this hoof-style tip is ideal for drag soldering, through-hole components, and general solder application. As part of the dependable 10C series, it ensures excellent heat transfer and long-lasting performance, making it a solid choice for professionals and hobbyists alike.

**** Tips are supplied individually. ****
