

GQ-10C-6D

SKU: GQ-10C-6D

Features & Benefits

- ◆ 6mm chisel tip for versatile soldering tasks
- ◆ Compatible with QUICK TS10 Soldering Station
- ◆ Designed for use with the TSS10A Soldering Iron
- ◆ Part of the 10C series – ideal for standard soldering needs
- ◆ Great for medium-to-large solder joints
- ◆ Provides reliable, even heat distribution

About the GQ-10C-6D

The QUICK 6mm Chisel 10C-6D soldering tip is a dependable solution for everyday soldering work, compatible with the Quick TS10 Soldering Station and the TSS10A Soldering Iron.

As part of the versatile 10C tip series, it's ideal for regular soldering applications. The 6mm chisel design ensures efficient heat transfer and control, making it well-suited for soldering medium-to-large components and wider joints.

**** Tips are supplied individually. ****
