

GQ-TSS02-SK

SKU: GQ-TSS02-SK

Features & Benefits

- ◆ **Genuine OEM Tips:** Manufactured to original specifications for superior performance and reliability.
- ◆ **Compatible with Quick TS1200D & TSS30B:** Perfectly matched for use with this soldering equipment.
- ◆ **Efficient Heat Transfer:** Designed for fast, uniform heat distribution for clean and precise solder joints.
- ◆ **Sold Individually:** Tips are supplied individually, allowing for customised purchases based on your needs.
- ◆ **Durable Construction:** Built for long-lasting use, ensuring consistent soldering performance over time.

About the GQ-TSS02-SK

The Quick TSS02 Soldering Iron Tips are genuine OEM tips designed for Quick TS1200D Soldering Station and TSS30B Soldering Iron.

These tips provide precise heat transfer, making them ideal for delicate soldering tasks and ensuring high-quality results across a range of applications.

**** Tips are supplied individually. ****
