About the Grimex Degreasing Wipes (100 Wipes)

Grimex Degreasing Wipes are the original industrial-grade cleaning cloth, specially formulated to tackle even the toughest grime on both hands and surfaces while nourishing the skin.

With an affinity for oil, these wipes are designed to effectively remove dirt, grease, ink, paint, and other stubborn substances.

Enriched with Aloe and Vitamin E, they are safe for your skin, offering a cost-effective and recyclable cleaning solution.

Ideal for use on hands, body, tools, vehicle bodywork, upholstery, glass, and more, these versatile wipes are perfect for all your industrial cleaning needs.
