About the Hi-vis Softshell Jacket - 6 COLOURS

The YK040 Hi-Vis Softshell Jacket combines all-weather protection with certified visibility. Made from 3-layer softshell fabric (8000mm waterproof / 3000mvp breathable), it includes waterproof zips, warm microfleece lining, and reflective tape across the body, arms, and shoulders. Certified to EN ISO20471:2013 Class 3 (Orange/Orange-Navy also GO/RT 3279 approved). Navy panels offer a smart, scuff-resistant finish ideal for professional use.
