

Hose Kit - Laser 1.5m

SKU: 503-372

Features & Benefits

- ◆ **Hose Length:** 1.5 metres for a compact and flexible solution.
- ◆ **75mm Rubber Cuff Ends:** Secure and leak-free connections to equipment.
- ◆ **Enhanced Airflow:** Designed for efficient fume extraction during laser operations.
- ◆ **Ideal for Laser Applications:** Perfect for laser cutting, engraving, and other precision tasks in confined or smaller areas.

About the Hose Kit - Laser 1.5m

The BOFA Complete Hose Kit - Laser 75mm Flex (1.5m) is a high-quality hose designed for efficient fume extraction in laser applications.

With a 75mm diameter and 75mm rubber cuff ends, this 1.5-metre hose provides a secure and flexible connection to laser extractors. Its compact design allows for easy manoeuvrability and reliable performance, ensuring optimal fume removal in smaller workspaces or specific laser tasks.
