

## Hose Kit - Laser 100mm

SKU: 503-367

### Features & Benefits

- ◆ **Hose Length:** 3 metres for extended reach and flexibility.
- ◆ **100mm Cuff Ends:** Ensures a secure, leak-free connection to equipment.
- ◆ **Rubber Boots Included:** Two 100mm rubber boots for enhanced flexibility and secure fitting.
- ◆ **Efficient Fume Removal:** Optimised for laser operations, improving air quality and safety in the workspace.
- ◆ This 3-metre hose features a 100mm diameter, with 100mm cuff ends and two 100mm rubber boots, ensuring a secure and flexible connection to laser extractors

### About the Hose Kit - Laser 100mm

The BOFA Complete Hose Kit - 100mm Flex Assembly is designed to provide an efficient fume extraction solution for laser systems.

This 3-metre hose features a 100mm diameter, with 100mm cuff ends and two 100mm rubber boots, ensuring a secure and flexible connection to laser extractors.

The robust design enhances airflow, providing optimal fume removal and improving safety in laser cutting, engraving, and other industrial applications.
