

Hose Kit - Laser 125mm

SKU: 503-373

Features & Benefits

- ◆ Includes two 1.5m lengths of 150mm hose
- ◆ Connects to a BOFA extraction unit using a 125mm connection piece
- ◆ Features a 150mm to 125mm reducer for secure and seamless connection
- ◆ T-shaped adaptor allows easy connection to multiple extraction points
- ◆ Perfect for laser fume extraction in industrial settings
- ◆ Durable and reliable for long-term use in high-demand environments
- ◆ This kit includes two 1.5m lengths of hose, each featuring a 150mm diameter, and a T-shaped adaptor for smooth integration

About the Hose Kit - Laser 125mm

The BOFA Complete Hose Kit - Laser 125mm with 2 x 150mm Hose is a high-performance solution designed to efficiently connect to a BOFA extraction unit.

This kit includes two 1.5m lengths of hose, each featuring a 150mm diameter, and a T-shaped adaptor for smooth integration.

The 150mm to 125mm reducer ensures a secure connection to the unit, providing optimal suction and airflow for laser fume extraction in industrial environments.

Ideal for enhancing extraction flexibility, this hose kit ensures reliable and effective performance.
