

Hose Kit - Laser 75-100mm

SKU: 503-366

Features & Benefits

- ◆ **Hose Length:** 3 metres for extended reach and flexibility.
- ◆ **Enhanced Airflow:** Provides efficient fume extraction during laser operations.
- ◆ **Tailored for Laser Applications:** Perfect for laser cutting, engraving, and other precision tasks.
- ◆ This 3-metre kit features a 75mm diameter hose, a 75mm screw cuff, and a 100mm rubber boot, ensuring a secure connection to various extraction systems

About the Hose Kit - Laser 75-100mm

The BOFA Complete Hose Kit for Laser Extractor is designed for efficient fume extraction in laser applications.

This 3-metre kit features a 75mm diameter hose, a 75mm screw cuff, and a 100mm rubber boot, ensuring a secure connection to various extraction systems.

The versatile design provides optimal airflow and precise fume capture, making it ideal for laser cutting, engraving, and other industrial processes.

Specifications

Property	Detail
Hose Diameter	75mm
Cuff and Boot Included	75mm
Application	ESD-protected areas, electronics mfg, cleanrooms
