

IPA PREMIUM Bucket Wipes (200 Wipes)

SKU: G-WI004-N

Features & Benefits

- ◆ Pre-saturated with 70% IPA and 30% DI water for effective cleaning and degreasing
- ◆ Made from 68gsm Polyviscose for durability and ultra-low linting
- ◆ Fast drying with rapid evaporation, leaving surfaces dry and grease-free
- ◆ Industrial-grade disposable cloth that resists tearing or ripping
- ◆ Ideal for solder paste removal, label removal, and wiping fingerprints from stainless steel
- ◆ Convenient bucket packaging with easy-to-open and close lid, preventing wipes from drying out
- ◆ **Pack of 200 wipes**, perfect for a wide range of industrial and cleaning applications
- ◆ Wiping of fingerprints from halogen bulbs
- ◆ Surface preparation for painting or application of adhesive
- ◆ Highly effective in cleaning electronic circuit boards post printing
- ◆ Excellent for tape head cleaning, removal of fluxes, light oils, polar soils and white mineral residue.
- ◆ Remove dust, grease and fingerprints, particularly effective on stainless steel.

About the IPA PREMIUM Bucket Wipes (200 Wipes)

IPA PREMIUM Bucket Wipes are top-quality, pre-saturated wipes made from 68gsm Polyviscose, offering exceptional cleaning performance with ultra-low linting.

Designed for general cleaning applications, these premium wipes are ideal for precision cleaning and degreasing, particularly for sensitive surfaces like stainless steel and electronic components.

With 70% IPA and 30% DI water, they provide fast evaporation, leaving surfaces dry, grease-free, and spotless.

These wipes come in a convenient bucket with an easy-to-use lid to ensure they stay moist and fresh until required.
