- ◆ Improves packaging line efficiency by reducing adhesive build-up and jamming
- ◆ Pleasant citrus scent for a more pleasant user experience
- ◆ Test plastics compatibility prior to use
- ◆ 6-year shelf life from the date of manufacture

## About the Label Remover 200ml

### LABEL REMOVER - SELF-ADHESIVE LABEL AND STICKER REMOVER

Ambersil Label Remover (200ml) is a powerful solution for efficiently removing self-adhesive labels and stickers.

Its optimal blend of solvents and citrus active ingredients rapidly penetrates paper labels, reducing the need for scraping and preventing potential damage to surfaces.

Ideal for improving packaging line efficiency, it also helps reduce jamming caused by label and adhesive build-up.

With a pleasant citrus scent, this remover ensures a clean, hassle-free application, and boasts a 6-year shelf life for long-lasting performance.
