- ◆ **Weight:** 3.2kg
- ◆ **Cable length:** 1.8m

About the Lightbox Wafer 3 (A2)

The Daylight Wafer 3 A2 Lightbox is an ultra-slim, ultra-light, and ultra-bright LED lightbox, perfect for tracing on paper or fabric. Its even edge-to-edge brightness, dimmable feature, and convenient marking guides make it a versatile tool for artists, designers, and crafters.

With a compact profile of just 0.8cm in thickness, it is easy to transport and store, while the LED light source provides true colour matching and ensures long-lasting performance.

Ideal for both professional and hobbyist use, the Wafer 3 lightbox is designed for precision and clarity.
