

# Luminos Task Lamp

SKU: 201-520-16

## Features & Benefits

- ◆ **High Light Output:** 2,000 lumens and 3,800 Lux at 30cm for bright, expansive lighting.
- ◆ **Adjustable Brightness:** Three brightness settings for varying work environments (4,500 – 2,300 – 1,200 Lux).
- ◆ **LED Light Source:** Energy-efficient with a 20W power consumption.
- ◆ **Colour Temperature:** Daylight (6,000K) for clear visibility.
- ◆ **Flexible Positioning:** Free motion head and arm for precise light placement.
- ◆ **Maximum Reach:** 112cm for versatile and extended lighting.
- ◆ **Long-lasting LED:** 50,000-hour rated lifespan.
- ◆ **Modern Design:** Dark grey & white finish.
- ◆ Perfect for illuminating large work areas, it features an ergonomic design that allows easy adjustment of the shade's position and angle

## About the Luminos Task Lamp

The Luminos Task Lamp is the brightest in the Daylight range, designed for maximum light output and a broad, even spread of light.

Perfect for illuminating large work areas, it features an ergonomic design that allows easy adjustment of the shade's position and angle. With its impressive 3 brightness levels and extra-long reach, the Luminos Task Lamp is both durable and efficient, providing powerful illumination for detailed tasks.
