

MOON S1PL FO SC SR ESD Safety Shoe

SKU: GS-MOON

Features & Benefits

- ◆ **Low safety shoe** made from high-tenacity fibre, breathable Dura® fabric, and B-tech microfibre (1.8-2.0 mm thick)
- ◆ **TPU cover tip** for enhanced abrasion protection
- ◆ **GIASCO 3PU patented heel** for improved stability, comfort, and lightness
- ◆ **Soft, lined, and padded tongue** for added comfort
- ◆ **Flexible PL midsole** with antiperforation composite fabric
- ◆ **3Cloud sole** with three-density polyurethane for shock absorption, slip resistance, and hydrolysis resistance
- ◆ **Hydrocarbon and abrasion resistance** for durability
- ◆ This shoe features a soft, padded, and lined tongue, along with a completely metal-free construction to ensure electrical resistance (ESD compliance)

About the MOON S1PL FO SC SR ESD Safety Shoe

The MOON S1PL FO SC SR Giasco ESD safety shoe combines advanced materials with cutting-edge design for maximum comfort and protection.

Made from high-tenacity fibre, breathable Dura® technical fabric, and 1.8-2.0 mm thick B-tech microfibre, this low safety shoe offers exceptional abrasion resistance and durability.

The TPU cover tip enhances protection against abrasions, while the GIASCO 3PU patented heel provides stability, comfort, and lightness. This shoe features a soft, padded, and lined tongue, along with a completely metal-free construction to ensure electrical resistance (ESD compliance).

The 200J polymeric composite toecap and flexible PL midsole offer reliable impact and puncture protection, while the 3Cloud sole ensures superior slip resistance and shock absorption.

Specifications

Property	Detail
ESD Class	Yes
Toecap	200J polymeric composite toecap for impact protection
Insole	DryGo!® for moisture absorption, antibacterial properties, and ESD compliance
Sizes	36-47
Application	ESD-protected areas, electronics mfg, cleanrooms
