About the Microflex Midnight Touch Nitrile Disposable Gloves (100 Gloves)

Ansell MICROFLEX® MIDKNIGHT™ TOUCH Nitrile Gloves offer exceptional dexterity, comfort, and fit, making them ideal for tasks requiring high precision.

These thin, black nitrile medical exam gloves are designed with ERGOFORM™ Technology to reduce muscle strain, enhancing worker comfort and productivity during repetitive tasks.

The textured fingertips provide a secure grip for handling instruments and materials, while the distinctive black colour hides oils, bodily fluids, and stains.

Powder-free and latex-free, these gloves are available in various sizes and packaged in **boxes of 100 gloves**, providing reliable protection for medical, industrial, and laboratory environments.
