About the Printable Softshell Jacket - NAVY BLUE

Built for dependable everyday wear, this slim-fit softshell jacket combines weather-ready protection with a smooth, easy-to-print surface. The water-repellent, breathable and windproof outer helps keep the elements at bay, while the microfleece inner adds a comfortable layer of warmth.

With its full front zip, chin guard and elasticised bound cuffs, it is designed for comfortable wear and practical coverage. Zip-closing front pockets keep essentials secure, and the inner facing helps hide nape embroidery for a clean branded finish.

A smart, practical layer for adding your own branding while keeping comfort, warmth and weather resistance in the mix.
