- ◆ Embroidery access.

About the Pro Universal Bodywarmer - NAVY BLUE/ASH

A lightweight, practical layer built for active working days. The Pro Universal Bodywarmer has a water-repellent polyester micro poplin outer to help fend off light showers, with mechanical-stretch softshell side panels that move naturally as you work. Its shaped panels give a more comfortable fit and greater freedom of movement, while stretch binding at the armholes and hem creates a neat, secure finish. Keep everyday essentials close to hand in the zipped chest pocket and two lower zipped pockets.

Made for branded workwear

A concealed zip entrance in the lining provides straightforward embroidery access, making this bodywarmer an excellent choice for personalised uniforms, teams and tradewear.
