About the Progression 7003 Pique Polo - 5 COLOURS

The ProJob Progression 7003 Pique Polo is a practical choice for workwear and coordinated team uniforms. Available in five colour combinations, it offers a smart everyday look with options to complement your company colours.

A three-button front and contrast neck tape create a neat finish, with the tape helping the neckline retain its shape and stability. Side slits allow ease of movement, while a discreet laundry chip pocket inside the left side seam provides a useful detail for managed workwear laundering.

Tested for industrial washing according to ISO 15797, this polo is suited to uniforms that need regular laundering. Available in sizes XS–5XL, with a fabric weight of 200g/m², it offers a wide size range for outfitting your team.
