

# Quick A1124 Hot Air Nozzle

SKU: GQ-A1124

## Features & Benefits

- ◆ 2.5mm straight single nozzle design for precise applications
- ◆ Compatible with 959D+ Hot Air Rework Station, 857 Hot Air Handle, 862DA+ Rework Station, and 862 Hot Air Handle
- ◆ Ideal for fine soldering, desoldering, and reflowing of small components
- ◆ High-quality, durable construction for reliable performance
- ◆ Easy to fit and use for quick, efficient operation

## About the Quick A1124 Hot Air Nozzle

The Quick A1124 Hot Air Nozzle, with a 2.5mm straight single nozzle, is designed for precision work on small and delicate components.

Compatible with the 959D+ Hot Air Rework Station, 857 Hot Air Handle, 862DA+ Rework Station, and 862 Hot Air Handle, this nozzle ensures accurate heat application for soldering, desoldering, and reflowing.

Its compact size and durable design make it an essential tool for electronics technicians and hobbyists seeking high-quality performance.
