

## R04 - Round Hot Air Nozzle

SKU: GW-R04

### Features & Benefits

- ◆ Round nozzle with 1.2 mm diameter and 17 mm length
- ◆ Compatible with HAP 1, HAP 200, and WXHAP 200 hot air tools
- ◆ Provides precise, focused airflow
- ◆ Ideal for rework in tight or confined spaces
- ◆ Supplied individually (1 per package)
- ◆ Part of Weller's professional-grade hot air nozzle range

### About the R04 - Round Hot Air Nozzle

The Weller R04 Round Hot Air Nozzle is designed for precision rework tasks, delivering focused heat through a 1.2 mm diameter opening.

With a length of 17 mm, it provides extended reach and enhanced control, making it ideal for accessing tight or recessed areas on densely populated circuit boards.

Compatible with HAP 1, HAP 200, and WXHAP 200 hot air tools, the R04 is supplied as a **single unit per package**. As part of Weller's professional nozzle range, it ensures accuracy, efficiency, and reliability for demanding electronic applications.
