

## R06 - Round Nozzle

SKU: GW-R06

### Features & Benefits

- ◆ Round nozzle with 3.0 mm diameter and 17 mm length
- ◆ Compatible with HAP 1, HAP 200, and WXHAP 200 hot air tools
- ◆ Provides broader, yet focused, heat distribution
- ◆ Ideal for general-purpose rework and repair
- ◆ Supplied individually (1 per package)
- ◆ Part of Weller's professional-grade hot air nozzle range

### About the R06 - Round Nozzle

The Weller R06 Round Nozzle is a versatile hot air accessory designed for delivering controlled heat over a slightly broader area. With a 3.0 mm diameter and a length of 17 mm, it is ideal for general-purpose rework tasks, offering a balance between precision and coverage.

Suitable for use with HAP 1, HAP 200, and WXHAP 200 hot air tools, the R06 is **supplied individually**. As part of Weller's professional nozzle family, it ensures consistent performance and reliability across a wide range of soldering and desoldering applications.
