

SNAKE ESD Shoe

SKU: GS-SNAKE

Features & Benefits

- ◆ **Lightweight, Unisex ESD Shoe**
- ◆ **High-Quality Italian-Made Footwear** – Crafted for comfort, durability, and long-lasting ESD protection.
- ◆ **Completely Metal-Free Design** – Ideal for ESD-sensitive environments, ensuring no interference with sensitive electronic equipment.
- ◆ Featuring a lightweight, unisex design, this ESD safety shoe is perfect for professionals working in ESD-sensitive environments such as electronics assembly, cleanrooms, and laboratories
- ◆ It also features anti-shock and anti-slip SRC properties for maximum safety and comfort

About the SNAKE ESD Shoe

ESD Snake Shoe – Premium Italian-Made Footwear with Advanced ESD Protection and Comfort

The ESD Snake Shoe is a high-quality Italian-made footwear designed to deliver superior electrostatic discharge (ESD) protection while offering exceptional comfort and durability. Featuring a lightweight, unisex design, this ESD safety shoe is perfect for professionals working in ESD-sensitive environments such as electronics assembly, cleanrooms, and laboratories. Certified to CE UNI EN ISO 20347:2012 O2 FO CI SRC ESD Class 3, the ESD Snake Shoe ensures excellent electrical resistance, antistatic protection, and reliable comfort throughout the day.

The City bidensity polyurethane sole offers excellent antistatic properties and is resistant to abrasion, hydrocarbons, and hydrolysis. It also features anti-shock and anti-slip SRC properties for maximum safety and comfort. The 5000 extracomfort insole is removable, perspiring, anatomic, and anti-bacterial, providing superior comfort, moisture absorption, and foot support. The CI insulation protects against cold environments, offering resistance to temperatures as low as -17°C, making it suitable for colder conditions. This shoe is completely metal-free, making it ideal for ESD-sensitive environments where metal components are prohibited.

Specifications

Property	Detail
Standard	CE UNI EN ISO 20347:2012 O2 FO CI SRC
Sole	City Bidensity Polyurethane
Insole	5000 Extracomfort
Insulation	CI (to -17°C)
ESD Class	Class 3 (IEC 61340-4-3:2001)
Sizes	UK 4-12 (Euro 37-47)
Weight	440 g (size 42)
Application	ESD-protected areas, electronics mfg, cleanrooms
