

# SUN S1PL FO SR ESD Safety Shoe

SKU: GS-SUN

## Features & Benefits

- ◆ **Lightweight, Unisex ESD Shoe**
- ◆ **Low safety shoe** with anti-scratch back leather (1.8-2.0 mm)
- ◆ **Breathable technical fabric** for enhanced comfort
- ◆ **Reflective fabric insert** for visibility
- ◆ **Soft tongue lining** for added comfort
- ◆ **Flexible PL midsole** with antiperforation composite fabric
- ◆ **3Cloud sole** with polyurethane three-density for shock absorption and slip resistance
- ◆ **Hydrolysis, hydrocarbons, and abrasion resistance**
- ◆ **Key Features ESD Protection** — Electrical resistance compliant with IEC 61340 standards, ensuring reliable static dissipation in EPA environments **S1PL Safety Rating** — Provides toe protection, anti-penetration midsole, and heel energy absorption **FO (Fuel Oil Resistant)** — Sole resistant to fuel oil, ideal for industrial and workshop environments **SR (Slip Resistant)** — Innovative sole with outstanding slip-resistance and shock absorption **Entirely Metal-Free** — Safe for use in sensitive electronic manufacturing and cleanroom environments **Polymeric Composite Toecap** — High-quality, lightweight toe protection without compromising comfort **Ergonomic ESD Insole** — Moisture-wicking properties for long-lasting comfort during extended wear **Available in UK sizes 3–12 (Euro 36–47) Compliance** The SUN S1PL FO SR meets the requirements of IEC 61340 for electrostatic protection, making it suitable for use in EPA environments where ESD control is critical

## About the SUN S1PL FO SR ESD Safety Shoe

### Giasco SUN S1PL FO SR 3Cloud ESD Safety Shoe — Premium Static Dissipative Footwear for Industrial & EPA Environments

The Giasco SUN S1PL FO SR is a high-performance ESD safety shoe engineered for professionals working in electrostatic protected areas (EPAs) and demanding industrial environments. Part of the innovative **3Cloud** range, the SUN combines Italian craftsmanship with advanced ESD protection to deliver all-day comfort and reliable static dissipation.

Constructed with **durable anti-scratch leather** and a **breathable, abrasion-resistant technical fabric**, the SUN is built to withstand tough working conditions while keeping feet cool and comfortable throughout the day. The low-profile design makes it suitable for a wide range of workplace settings.

#### Key Features

- **ESD Protection** — Electrical resistance compliant with **IEC 61340** standards, ensuring reliable static dissipation in EPA environments
- **S1PL Safety Rating** — Provides toe protection, anti-penetration midsole, and heel energy absorption
- **FO (Fuel Oil Resistant)** — Sole resistant to fuel oil, ideal for industrial and workshop environments
- **SR (Slip Resistant)** — Innovative sole with outstanding slip-resistance and shock absorption
- **Entirely Metal-Free** — Safe for use in sensitive electronic manufacturing and cleanroom environments
- **Polymeric Composite Toecap** — High-quality, lightweight toe protection without compromising comfort
- **Ergonomic ESD Insole** — Moisture-wicking properties for long-lasting comfort during extended wear
- **Available in UK sizes 3–12 (Euro 36–47) Compliance**

The SUN S1PL FO SR meets the requirements of **IEC 61340** for electrostatic protection, making it suitable for use in EPA environments where ESD control is critical.

Supplied by **Grove Sales** — your trusted UK supplier of ESD footwear and static control solutions.

## Specifications

Property	Detail
ESD Class	Yes
Toecap	200J polymeric composite toecap for optimal protection
Insole	DryGo!® for moisture management and antibacterial properties
Sizes	Grove Sales Ltd   Unit 3 Beaver Industrial Estate, 8 Airfield Road, Christchurch, Dorset BH23 3TG 36-47 Tel: 01202 588900   sales@grovesales.co.uk   www.grovesales.co.uk   VAT Reg: 579945562
Application	ESD-protected areas, electronics mfg, cleanrooms
