- ◆ The scalpel features a seamless blade change mechanism, significantly reducing the risk of accidental cuts

About the Scalpel (replaceable Ceramic Safety Blade)

The Scalpel with a replaceable Ceramic Safety Blade is a precision tool designed to elevate your artistic projects.

With its lightweight handle, you can easily create delicate lines and intricate details while maintaining safety.

The ceramic blade ensures durability and rust resistance, lasting up to 11.2 times longer than traditional metal blades.

The scalpel features a seamless blade change mechanism, significantly reducing the risk of accidental cuts.

Additionally, the scalpel can be locked when not in use, keeping the sharp edge safely concealed.

This tool is compatible with multiple blades, offering endless creative possibilities.

Comes with 1 x #10518 Craft Blade (Straight Edge, Rounded Tip)

Compatible Blades:

- Craft Blades (Straight Edge, Rounded Tip) #10518
- Craft Blades (Straight Edge, Pointed Tip) #10519
- Craft Blades (Curved Edge, Rounded Tip) #10520
- Corner-Stripping Blades #10532
- Chisel Blades #10534
- Chisel Blades (Narrow, Double-Sided) #10535
- Seam Ripper Blades (Rounded Tip) #10536
- Seam Ripper Blades (Pointed Tip) #10537
