- ◆ Ceramic blade for improved cutting performance
- ◆ 100% zirconium oxide blade that never rusts
- ◆ Blade lasts 11.2x longer than traditional metal blades

About the Seam Ripper Blades (Pointed Tip) #10537

The Seam Ripper Blades (Pointed Tip) #10537 are designed for precision, allowing you to easily slide between stitches and cut threads without causing damage to the fabric.

The narrow, pointed tip ensures clean and accurate cuts, making it a superior choice for delicate sewing tasks.

Made from 100% zirconium oxide, these ceramic blades are rust-resistant and provide long-lasting sharpness, lasting 11.2 times longer than metal blades.

Sold in **packs of four**, these blades offer enhanced safety and efficiency for your sewing projects.

Compatible Knives:

- Craft Knife #10548
- Craft Knife (safety cap) #10589
- Scalpel (replaceable blade) #10568
