

## Service Panel (rear post fixing) - 1200mm

SKU: GB-SP-12

### Features & Benefits

- ◆ Available in durable PVC and aluminium materials
- ◆ Designed to manage power and data cables securely
- ◆ Requires rear support posts for stable mounting
- ◆ Enhances workspace organisation and cable management
- ◆ Ideal for industrial, office, and commercial environments

### About the Service Panel (rear post fixing) - 1200mm

The Service Panel Module (1200mm) is an efficient solution designed to handle power and data cable management in the workspace.

With a three-compartment extrusion, it is available in both PVC and aluminium options to suit various installation needs.

This module helps to organise and protect cables, ensuring a tidy and functional workspace.

**The Service Panel requires rear support posts for secure mounting**, providing a reliable and stable setup for both industrial and office environments.
