- ◆ 146mm tool length for controlled handling
- ◆ Steel thickness of 3.0mm for durability and strength
- ◆ Ideal for precision work in tight spaces and delicate electronics
- ◆ Made with durable steel featuring a thickness of 3.0mm, these pliers are built for strength and long-lasting performance

### About the Short Nose Plier - Serrated ESD

The ESD Short Nose Plier features serrated, pointed jaws designed for secure gripping and precision in tight spaces.

With a 146mm tool length, these pliers offer excellent control for detailed tasks, especially in delicate electronics applications.

The ESD-safe grey handles protect sensitive components from static discharge.

Made with durable steel featuring a thickness of 3.0mm, these pliers are built for strength and long-lasting performance.
