About the Soft grip trimming knife - Retractable

The Soft Grip Trimming Knife features a robust, die-cast aluminium housing, offering both strength and lightweight design.

The safety interlocking mechanism ensures the blade remains securely in place, while the ergonomic soft grip handle enhances comfort and control.

With a magnetic blade retainer and captive body screw, blade changes are quick and easy.

The retractable blade provides safe storage, and the integrated string/wire cutting notch adds convenience.

The internal storage compartment holds up to 5 spare blades, ensuring you're always prepared.

Complete with 5 Spare Blades.
