

Soldering Stand TSS21C

SKU: GQ-TSS21C

Features & Benefits

- ◆ **ESD Safe:** Protects sensitive electronic components from electrostatic discharge, ensuring safe use in professional environments.
- ◆ **Sturdy and Secure:** Keeps your TSS31A Soldering Pencil safely in place when not in use, preventing unnecessary wear and tear.
- ◆ **Designed for TSS31A:** Perfectly compatible with the TSS31A Soldering Pencil, creating an efficient and organised soldering setup.
- ◆ **Durable and Practical:** Ideal for meeting the everyday challenges of soldering, ensuring a high-quality experience and protecting your equipment.

About the Soldering Stand TSS21C

The Quick TSS21C Soldering Stand is expertly designed to provide a secure, stable resting place for the TSS31A Soldering Pencil.

This stand is essential for professionals who need a reliable, ESD-safe solution for their soldering setup. It ensures that the soldering pencil is safely stored when not in use, reducing the risk of accidental damage and keeping your workspace organised.

The TSS21C stand is built to withstand the everyday demands of soldering, offering durable performance and consistent quality.
