About the Super Premium T-Shirt - 10 COLOURS

The Super Premium T-Shirt is a substantial everyday essential, ideal for workwear, team uniforms and promotional clothing. Available in 10 colours, its heavier fabric offers a reassuring feel, whether worn on its own or layered under a jacket.

A crew neck with cotton/LYCRA® rib provides a comfortable finish, while self-fabric shoulder-to-shoulder taping adds a neat detail. The fine knit gauge creates a smooth surface for printing, making it a practical choice for adding your company logo or team design.

Guaranteed to perform at a 60°C wash, it's well suited to clothing that needs regular laundering. The size range runs from S–5XL, with a fabric weight of 205g/m², or 190g/m² for White.
