About the Swann-Morton Premium Retractable Scalpel Handle

The Swann-Morton Premium Retractable Scalpel Handle combines style and functionality with its sleek, reflex blue, metal design.

Perfect for designers, graphic artists, and model makers, this scalpel features a hand retractable blade mechanism for added safety. The durable stainless steel bayonet ensures additional lateral strength, making it a reliable and long-lasting tool.

It is **compatible with surgical blades Nos. 10, 10A, 11, 15, and 15A**, and allows for quick, safe blade changes.

Ideal for precision cutting in a variety of tasks, from design work to DIY projects.
