About the TouchNTuff - Nitrile Disposable Gloves (100 Gloves)

Ansell TouchNTuff® 92-600 Nitrile Disposable Gloves provide unmatched chemical splash protection, comfort, and durability, making them ideal for heavy-duty work environments.

Featuring TNT™ Chemical Splash Resistance Technology, these gloves safeguard hands from harmful chemicals while offering a super-soft nitrile material for extended comfort.

Their robust durability prevents tearing during tough tasks, and the silicone-free design ensures no surface defects, perfect for applications involving paints, coatings, and finishes.

Powder-free, latex-free, and available in multiple sizes, these gloves are packaged in convenient **dispenser boxes of 100 gloves.**
