- ◆ Contains natural rubber latex, which may cause allergic reactions

About the TouchNTuff Lightweight Latex Powder Free Gloves (100 Gloves)

Ansell TouchNTuff® Lightweight Latex Powder-Free Gloves provide exceptional dexterity, sensitivity, and comfort, making them perfect for a variety of tasks that require a near-skin-like touch.

Made from high-quality elastic latex, these gloves offer an exceptional fit and heightened tactility, enabling precise handling of small objects and delicate instruments.

The textured fingertips ensure a secure grip, while the powder-free design allows for easy donning without compromising comfort. These gloves are also food handling compliant, making them suitable for food industry applications.

Supplied in **boxes of 100 gloves (50 pairs)**, they offer reliable protection for various professional environments.

CAUTION: This product contains natural rubber latex, which may cause allergic reactions
