

UNIVERSE S3L FO SC SR ESD Safety Shoe

SKU: GS-UNIVERSE

Features & Benefits

- ◆ **Low safety shoe** made from high-tenacity fibre and breathable, abrasion-resistant WPA fabric
- ◆ **TPU cover tip** for enhanced abrasion resistance
- ◆ **GIASCO 3PU patented heel** for stability, comfort, and lightness
- ◆ **Soft, lined, and padded tongue** for added comfort
- ◆ **Adjustable elastic** with self-locking mechanism for a quick fit, plus classic lace option
- ◆ **Flexible PL midsole** with antiperforation composite fabric
- ◆ **3Cloud sole** with three-density polyurethane for shock absorption, slip resistance, and hydrolysis resistance
- ◆ **Hydrocarbon and abrasion resistance** for enhanced durability

About the UNIVERSE S3L FO SC SR ESD Safety Shoe

The UNIVERSE S3L FO SC SR Giasco ESD safety shoe is designed for those who require both safety and comfort in challenging environments.

Constructed from high-tenacity fibre and breathable, abrasion-resistant WPA fabric, this low safety shoe ensures durability and long-lasting performance.

It features a TPU cover tip to protect against abrasions and the GIASCO 3PU patented heel for added stability, comfort, and lightness. The shoe also offers an adjustable elastic with a self-locking mechanism for a quick and easy fit, in addition to the classic lace option.

With a 200J polymeric composite toecap and a flexible PL midsole, it provides excellent protection.

The 3Cloud sole ensures anti-slip performance, shock absorption, and resistance to hydrocarbons and abrasion.

Specifications

Property	Detail
ESD Class	Yes
Toecap	200J polymeric composite toecap for impact protection
Insole	DryGo!® for moisture absorption, antibacterial properties, and ESD compliance
Sizes	36-47
Application	ESD-protected areas, electronics mfg, cleanrooms
