- ◆ Finger-friendly design for safer handling
- ◆ Ceramic construction for durability and longevity

About the Utility Blades (Pointed) #10525

Utility Blades (Pointed) #10525 are designed for tougher cutting tasks, offering precision and strength.

The pointed tip is ideal for piercing and cutting through more rigid materials.

To initiate cuts, simply use a piercing action if starting from the center.

Each pack contains 2 blades, providing exceptional value.

Made from 100% zirconium oxide, these ceramic blades never rust and last up to 11.2 times longer than metal blades, making them perfect for industrial, packaging, and general cutting applications.

Compatible Knives:

- Manual Metal-Handle Utility Knife #10490
- Auto-Retractable Metal-Handle Utility Knife #10491
- Auto-Retractable Metal Squeeze Knife #10493
