- ◆ Blade lasts 11.2x longer than metal blades
- ◆ Sold in packs of 2 for convenience
- ◆ Finger-friendly design for safer handling
- ◆ Ideal for general and industrial cutting applications

## About the Utility Blades (Rounded) #10524

**Utility Blades (Rounded) #10524 offer a safer, more efficient cutting experience.**

Thinner than typical blades, they make the cutting process smoother and quicker.

The rounded tip design provides a safer alternative to traditional blades, significantly reducing the risk of injury.

Made from 100% zirconium oxide, these ceramic blades never rust and last 11.2 times longer than standard metal blades.

Sold in **packs of 2**, these finger-friendly blades are ideal for those who value safety, longevity, and precision in their cutting tasks.

### Compatible Knives:

- Manual Metal-Handle Utility Knife #10490
- Auto-Retractable Metal-Handle Utility Knife #10491
- Auto-Retractable Metal Squeeze Knife #10493
