- ◆ Ideal for industrial and general-use applications

## About the Utility Blades (Serrated) #10523

Utility Blades (Serrated) #10523 are designed for superior durability and extended sharpness, making them ideal for tough cutting tasks.

These ceramic blades are made from 100% zirconium oxide, ensuring they never rust and last 11.2 times longer than standard metal blades.

Sold in **packs of two**, these finger-friendly blades do not require sharps box disposal, making them both safe and environmentally conscious.

Perfect for industrial and general-use applications, these serrated blades deliver lasting performance and efficiency.

### Compatible Knives:

- Manual Metal-Handle Utility Knife #10490
- Auto-Retractable Metal-Handle Utility Knife #10491
- Auto-Retractable Metal Squeeze Knife #10493
