

V200/250 50mm CLEAR Cowl

SKU: 503-466

Features & Benefits

- ◆ Compatible with BOFA 50mm duct fume extractors (V200, V250)
- ◆ Clear plastic for enhanced visibility during soldering and laser applications
- ◆ Ideal for accurate, targeted Local Exhaust Ventilation (LEV)
- ◆ Provides efficient fume capture for improved safety and air quality
- ◆ Perfect for precise fume extraction in sensitive work environments

About the V200/250 50mm CLEAR Cowl

The BOFA 50mm Clear Cowl is designed for precision and efficiency in fume extraction, ideal for use with BOFA V200 and V250 duct fume extractors.

Its clear plastic construction enhances visibility, making it perfect for applications such as soldering or laser work.

The 50mm cowl provides accurate, targeted Local Exhaust Ventilation (LEV), ensuring effective fume capture while maintaining a clear view of the work area for improved control and safety.
