

## V200/250 50mm ESD BLACK Cowl

SKU: 503-467

### Features & Benefits

- ◆ Highly effective ESD desktop cowl for fume capture
- ◆ Compatible with BOFA 50mm duct fume extractors (V200, V250)
- ◆ Ideal for single-user applications
- ◆ Constructed from Conductive H.I Polystyrene (ESD) for electrostatic protection
- ◆ Helps improve safety and air quality in sensitive environments

### About the V200/250 50mm ESD BLACK Cowl

The BOFA 50mm ESD Black Cowl is a highly effective desktop solution for capturing fumes in single-user applications. Designed for use with BOFA V200 and V250 duct fume extractors, this ESD cowl ensures excellent fume capture, enhancing the safety of your workspace. Made from Conductive H.I Polystyrene (ESD), it is perfect for environments requiring electrostatic discharge (ESD) protection. Compact and efficient, it fits seamlessly into various workstations.
