

V200/250 75mm CLEAR Cowl

SKU: 503-431

Features & Benefits

- ◆ Designed for use with BOFA 75mm duct fume extractors (V200, V250)
- ◆ Clear plastic for improved visibility during soldering and laser work
- ◆ Ideal for large-volume, heavy-duty fume extraction applications
- ◆ Ensures efficient fume capture for enhanced safety and air quality

About the V200/250 75mm CLEAR Cowl

The Donaldson BOFA 75mm Clear Cowl is an essential accessory for enhanced fume extraction in large-volume, heavy-duty applications.

Designed for use with BOFA V200 and V250 duct fume extractors, this clear plastic cowl offers high visibility, making it ideal for soldering and laser applications.

Its robust design ensures efficient fume capture, providing a safer and more comfortable working environment.
