

V200/250 75mm ESD BLACK Cowl

SKU: 503-432

Features & Benefits

- ◆ Highly effective ESD desktop cowl for capturing fumes
- ◆ Compatible with BOFA 75mm duct fume extractors (V200, V250)
- ◆ Perfect for single-user applications
- ◆ Constructed from Conductive H.I Polystyrene (ESD) for electrostatic protection
- ◆ Ensures improved air quality and safety in sensitive environments

About the V200/250 75mm ESD BLACK Cowl

The Donaldson BOFA 75mm ESD Black Cowl provides highly effective fume capture for single-user applications, ensuring a safer work environment.

Designed for use with BOFA V200 and V250 duct fume extractors, this cowl is made from Conductive H.I Polystyrene (ESD), offering superior electrostatic discharge (ESD) protection.

Its large 75mm size and efficient design make it ideal for enhanced fume extraction and maintaining air quality in sensitive workspaces.
