About the Wall Mounted Louvre Panel - 460x460mm

The Wall Mounted Louvre Panel is a practical and flexible storage solution for any workspace, offering efficient organisation and easy access to tools, components, and small parts.

With a size of 460mm x 460mm, this louvre panel is available in both painted and bright zinc plated finishes, providing options to suit different workspace environments.

The panel is compatible with a wide range of standard and conductive boxes, ensuring safe and secure storage for sensitive items. It can be easily wall-mounted through pre-punched holes, making installation quick and simple.

Ideal for optimising space and improving organisation, the Wall Mounted Louvre Panel helps maintain a tidy and efficient workspace.
