- ◆ The Erem 2411P MagicSense Needle Nose Pliers feature very precise, smooth, and rounded jaws, making them perfect for intricate tasks that require fine control and accuracy

About the Weller Erem 2411P MagicSense Needle Nose Pliers ESD

The Erem 2411P MagicSense Needle Nose Pliers feature very precise, smooth, and rounded jaws, making them perfect for intricate tasks that require fine control and accuracy.

Ideal for delicate electronics work, these pliers ensure a secure and gentle grip on small components.

The ESD-safe interchangeable foam-cushion handles protect against static discharge, ensuring safe use around sensitive parts.

Thanks to the patented Erem Magic Spring, these pliers provide consistent spring force, guaranteeing over 1 million operations.

The high-precision screw joint ensures smooth, play-free jaw action, while the special tool steel construction ensures durability and Swiss-made quality.

Needle nose pliers with very precise, smooth and rounded jaws
