- ◆ **Jaw length** of 33.5mm, head width of 11mm, and head thickness of 6mm for precision
- ◆ **Tips width** of 3.4mm and total height of both tips at 1.2mm for fine, controlled work

About the Weller Erem 2442P MagicSense Flat Nose Pliers ESD

The Erem 2442P MagicSense Flat Nose Pliers are designed with smooth jaws and precision-machined edges, making them ideal for gripping flat workpieces with accuracy and control.

These pliers are perfect for detailed tasks requiring a firm and secure grip without damaging components.

The ESD-safe interchangeable foam-cushion handles protect against static discharge, ensuring safe handling in electronic applications.

Featuring the patented Erem Magic Spring, these pliers offer consistent spring force, guaranteeing over 1 million operations.

The high-precision screw joint ensures smooth, play-free jaw action, while the special tool steel construction ensures durability and Swiss-made quality.

Flat nose pliers with smooth jaws and precision machined edges. Suitable for gripping flat workpieces.
