

Weller Erem 2SASL TWEEZERS

SKU: E-2SA-SL

Features & Benefits

- ◆ Relieved shape for improved access to confined spaces
- ◆ Ultra-fine tips for precision handling in detailed work
- ◆ **Special stainless steel:** non-magnetic, non-rusting, acid-proof, and heat-resistant
- ◆ Ideal for precision work under a microscope
- ◆ Economy model offering high performance at an affordable price
- ◆ The Erem 2SASL Tweezers feature a relieved shape that provides excellent access to even the most confined spaces, making them ideal for precision work, such as tasks performed under a microscope

About the Weller Erem 2SASL TWEEZERS

The Erem 2SASL Tweezers feature a relieved shape that provides excellent access to even the most confined spaces, making them ideal for precision work, such as tasks performed under a microscope.

Equipped with ultra-fine tips, these tweezers offer superior control and accuracy. Made from special stainless steel, they are non-magnetic, non-rusting, acid-proof, and heat-resistant, ensuring durability and reliability.

As an economy model, the 2SA-SL combines high performance with affordability for those requiring precision without compromising quality.
