

Weller Erem 3CSASL TWEEZERS

SKU: E-3CSA-SL

Features & Benefits

- ◆ Precision standard model for handling small components or wires
- ◆ Ideal for microelectronics, jewellery making, watchmaking, medicine, and laboratory technology
- ◆ **Made from special stainless steel:** non-magnetic, non-rusting, acid-proof, and heat-resistant
- ◆ Lightweight and durable, providing excellent control for intricate tasks

About the Weller Erem 3CSASL TWEEZERS

The Erem 3CSASL Tweezers are precision tools designed for delicate standard applications and precision work on small components or wires.

Ideal for use in microelectronics, jewellery making, watchmaking, medicine, and laboratory technology, these tweezers offer excellent accuracy and control for intricate tasks.

Made from special stainless steel, they are non-magnetic, non-rusting, acid-proof, and heat-resistant, ensuring long-lasting durability in sensitive environments. With a length of 110mm and a lightweight design of 11g, they provide comfort and precision for detailed work.

Specifications

Property	Detail
Length	110mm (4.331 inches)
Weight	11g (0.39 oz)
Application	ESD-protected areas, electronics mfg, cleanrooms
