

# Weller Erem 4SASL TWEEZERS

SKU: E-4SA-SL

## Features & Benefits

- ◆ Ultra-fine tips for precision handling of small components
- ◆ Relieved shape for excellent access to confined spaces
- ◆ **Made from special stainless steel:** non-magnetic, non-rusting, acid-proof, and heat-resistant
- ◆ Ideal for precision work in microelectronics, jewellery, and watchmaking

## About the Weller Erem 4SASL TWEEZERS

The Erem 4SASL Tweezers are crafted with ultra-fine tips, making them perfect for precision work in confined spaces.

Their relieved shape allows for easy access to even the most difficult-to-reach areas, ideal for intricate tasks.

Made from special stainless steel, these tweezers are non-magnetic, non-rusting, acid-proof, and heat-resistant, ensuring durability and reliability in sensitive environments. With a length of 110mm, they offer comfortable handling for delicate applications across various industries, including microelectronics, jewellery making, and watchmaking.

## Specifications

Property	Detail
Length	110mm for optimal control and comfort
Application	ESD-protected areas, electronics mfg, cleanrooms
