- ◆ **Tips width** of 2.4mm and total height of both tips at 1.4mm for fine, detailed work

## About the Weller Erem 542E Flat Nose Pliers ESD

The Erem 542E Flat Nose Pliers are designed for precise gripping of flat workpieces with smooth jaws and precision-machined edges.

These pliers offer superior control and accuracy, making them ideal for detailed tasks that require a firm grip.

The ESD-safe interchangeable foam-cushion handles protect sensitive components from static discharge, ensuring safe use in electronic applications.

Featuring a high-precision screw joint and the patented Erem Magic Spring, these pliers provide smooth, play-free jaw action and guarantee over 1 million operations.

Crafted from special tool steel, they are Swiss-made, ensuring durability and exceptional quality.

**Flat nose pliers with smooth jaws and precision machined edges. Suitable for gripping flat workpieces**
